

Requirements for pictures Call for proposals 2023

For our work, fundraising and documentation we need pictures of the projects: Pre-project, project-accompanying and after completion of a project.

Please note the following requirements for pictures:

- Meaningful pictures showing the needs of the beneficiaries in a dignified way. (Printable and sharp pictures: the data volume has to be minimum 1 MB and in the format of jpeg or gif.
- Please do not include pictures into a word document.
- All pictures must have the NLW project number, the date, name of the project. BUT please do not write on the back of pictures or put dates on the photo.

If you have any questions, please get in contact with the e-mail project@naechstenliebe-weltweit.de.
